Hi Milene,

We won't be able to make the ride along but please feel free to discuss your concerns with Jonelle and Howard and they will let us know. We can still meet tomorrow if you feel the need!

Thanks!

Ah I just realized the ride along is also next week, we could probably hit two birds with one stone and just chat about Coldwater during the ride along.

Hi Milene,

Yes! The photos were taken after the CARE+ service on Tuesday. And we can meet on Wednesday. Would the afternoon work for you? I'll schedule a room at the PWB. Just clarifying though, this is in addition to the ride-along on Tuesday right?

Hi Milene,

Following up on this, we got service photos from the team today resulting from the comprehensive that occurred. Please see attached.
When would you like to schedule a sit down with the team? I can schedule a conference room here at the Public Works Building.

Hi Milene,

I will get in contact with the team. Perhaps we could sit down sometime in the future to discuss. I'll let you know when I hear back. In the meantime, we will create SRs for this location during your CARE service and photos will be provided at the end of service. I see this location is also requested for CARE+, so we can pull photos after the next scheduled cleanup.

Hi Leon and

Diana,

I wanted to follow up on Care service at Coldwater Canyon and Magnolia Blvd. I've scheduled this encampment every time the Care team services Van Nuys, but many neighbors report that they haven't seen a change in the size of the encampment / trash / etc.

Is there anyway to follow up directly with the Care team, to discuss their progress at this site?

Thanks for your help,

as always!

Best,
Milene
